The editor of "Distinctive Diaconate News" is preparing

"The (Deaconess) Community of St Andrew: 1861-2011"

for its sesquicentenary (150th anniversary), 30 November 2011.

This is the history of the Community of St Andrew in the context of the developments in the whole Deaconess Order and in the Religious Life for Women. It will be about 200 pages with some black and white photos, some coloured photos and some appendices.

Because the cost will depend on the number of copies printed, I am now asking for indications of interest in this volume. Based on a price of about £6.00 plus postage and packing, would you be interested in acquiring a copy?

Postage and packing: UK £2.00

Europe . . . £6.00

'World' . . £6.00

USA \$11.00

I intend to order a copy of ***"The (Deaconess) Community of St Andrew: 1861-2011"***
